Regional Superintendent's Message

Message from the Regional Superintendent

As Regional Superintendent of Schools for McHenry County, I am submitting this annual report to you, members of the McHenry County Board, detailing the activities of the McHenry County Regional Office of Education from January 1, 2008 through December 31, 2008. This annual report is a culmination of the reports which have been submitted to you on a quarterly basis throughout the past year and is inclusive of the fourth quarter ending December 31, 2008.

I want to publicly express my sincere appreciation to the members of the McHenry County Board, the Regional School Board of Trustees, my outstanding office staff, and the many fine committees with whom we interact and work. I also want to thank the administrators and educators, all of our school districts, and the citizens of McHenry County for their continued and meaningful support of the Regional Office of Education as we strive to ensure that all of our students receive the quality of education they will need to be successful and to lead a full and productive life. The students of McHenry County are fortunate to have so many dedicated individuals working on their behalf.

As I have often said, I am extremely proud of this office and our accomplishments as we strive to meet our daily challenges. I offer my best wishes to our students, educators and administrators throughout McHenry County for continued success, not only for the 2008-2009 school year but the future as well.

Respectfully submitted,

Eugene T. Goeglein
